

AMENDMENTS TO THE DRAWINGS

Please amend the drawings by replacing FIGs. 1 through 12 with the respective identically numbered FIGs. 1 through 12 attached herein.

REMARKS/ARGUMENTS

Applicant notes with appreciation that claims 51-56 are allowed. This amendment merely corrects the latest status of cited references within the specification. This amendment further merely replaces informal drawings with formal drawings as replacement pages. The amendments therefore embody merely the correction of formal matters in the specification and drawings without changing the scope thereof.

The Examiner is respectfully requested to consider the proposed amendments and to enter this Amendment under Rule 312 prior to issuance of the patent. If there are any remaining issues that need to be addressed in connection with this Amendment, the Examiner is requested to telephone Applicant's undersigned attorney.

The Commissioner is hereby authorized to charge Deposit Account 502117, Motorola, Inc, with any fees which may be required in the prosecution of this application.

Respectfully submitted,
